

Private Wine Tastings

Starting at £25pp

Our tastings include a selection of 8 different wines. Enjoy some nibbles while our sommelier guides you through the different styles and chats a bit about the background of each wine.

Tastings can be tailored to cover a certain theme and can include specific styles of wine. Our team will be happy to discuss different options and create a bespoke tasting for your group.

We offer three different tasting sizes and three different price points. If you would like a bespoke tasting, please speak to our team for pricing.
